ANNOUNCEMENTS

Bryant Washburn, Popular Star Featured in Film Version of Henry Irving Dodge's Story in Saturday Post, "Skinner's Dress Suit," Main Attraction For Monday and Tuesday.

You possess a dress suit, whether you do or not, you should meet Mr. Skinner. He does, and he will give you some entertainment with his dress suit which undoubtedly will prove the most delightful fun you have ever had. The adventures of Mr. Skinner and his dress regalia are not real, though they do not miss life very far, at that. They are presented in a feature picture, filmed by Essanay, the title of which is "Skinner's Dress Suit," and which is the feature attraction in the Saturday Evening Post and is the greatest comedy drama that has ever been produced.

The bill at the Bred for today and tonight consists of E. H. Southern and Edith Storey in "An Enemy to the King," a Vitaphone Blue Ribbon feature in seven parts and a very funny comedy entitled "Speed and Spunk."

Glady Brockwell in Her Temptation, Feature Photoplay For Today at the Auditorium-Johnny Jones in "The Book and Latest Mutual Weekly Complete the Bill.

Glady Brockwell in Her Temptation is the feature photoplay for today at the Auditorium. Her Temptation embodies the experience of a beautiful young girl who by her young father is left in charge of a young, rather easy going, but honorable, man. He means to be only a daddy to her, and is such, but finally loses his heart to his young charge.

It is essentially a story of Greater New York, possessing all the interesting if not edifying side-lights on so-called high life in the metropolis.

John Jones in "The Book and Latest Mutual Weekly" complete the programme.

Next Monday, Tuesday and Wednesday.

As an attraction extraordinary the Davis Theatre, commencing Monday, will present Mary Pickford in a new Artcraft picture, "A Romance of the Redwoods," staged under the personal direction of Cecil B. De Mille.

A western subject of full-blooded, dramatic action, the new Pickford vehicle presents "Little Mary" in a role that is entirely different from anything in which she has ever appeared on the screen. The settings are of the days of '49 during the time of the big gold rush.

Another big feature on this bill is the latest Triangle play, "Wild Winship's Widow," in which Thomas H. Ince presents Dorothy Dalton as the star.

Equal time and no advance in prices.

Every night the crowd increases on the Majestic Roof, the most delightful place in Eastern Connecticut to spend an evening of amusement. A fine picture program has been arranged for tonight, headed by the five reel feature, Jack Mullhall, in "The Hero of the Hour," a very exciting drama.

Jack Mullhall, in "The Hero of the Hour," a very exciting drama, comedy reel to be shown this evening and a Day in the Life of a Dog, another funny single reel subject to be shown. The Majestic "Jazz" band will furnish music for dancing and refreshments will be served throughout the evening. Watch for the search light. If you see it the Roof is open. Admission 15 cents.

Should Cheer Up.
Hard cider is another beverage that can be made without wheat, rye or barley. And, when made, it has the bounce and a lot of other liquids that go to the head. So let the habitually thirsty fellows cheer up.—Pittsburgh Chronicle-Telegraph.
